Product Summary

Magpul 30 round

Product Description

The PMAG is a 30-round 5.56x45 NATO (.223 Remington) AR15/M16 compatible magazine with round-count windows. It features an advanced impact resistant polymer construction, a pop-off Impact/Dust Cover for storage, and an easy to disassemble design with a flared floorplate for positive magazine extraction from pouches. The PMAG 30 utilizes a resilient stainless steel spring for corrosion resistance and a anti-tilt, self-lubricating follower for increased reliability. The PMAG MagLevel features transparent windows on both sides of the body and has a painted indicator on the spring for quick determination of approximate rounds remaining in the magazine.
