Product Summary

Titan

Product Description

The Titan has a black coated metal handle with grip inserts ensuring you can hold on to this knife. The double edge dagger style blade is stainless steel black & metallic silver finish with a nicely designed blood groove in the center. Six hole cutouts are sported on the blade. The firing button is mounted on the side making the Titan slim and easy to carry. The pocket clip is mounted on the back. The Titan includes a glass breaker which can also be used as a defense tool. These knives feature an improved internal mechanism for more consistent firing.
